A Glance Back

*Coeur d'Alene
Senior High School
'82-'83*

*Let your memory go back,
And relive those days,*

*Of the fun that we shared,
With the friends that we made.*

All of the paths that we've followed, and the directions we've pondered,

The great memories we've had, every dream that we've wondered.

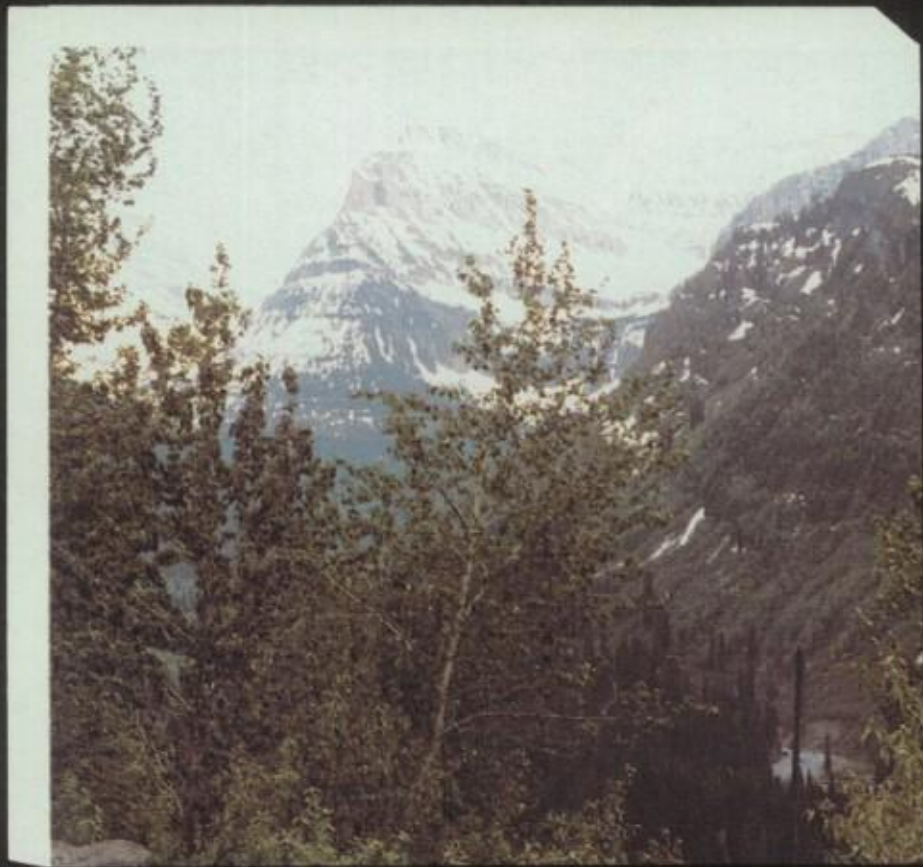

As we look to lasting friendships, and the helping hands we've lended,

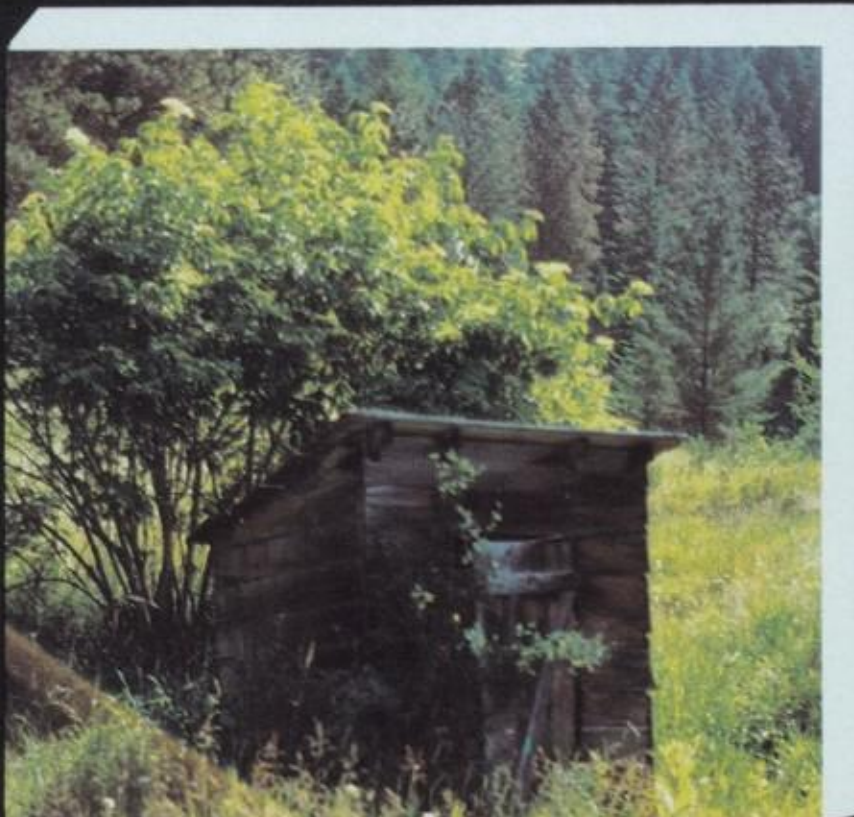

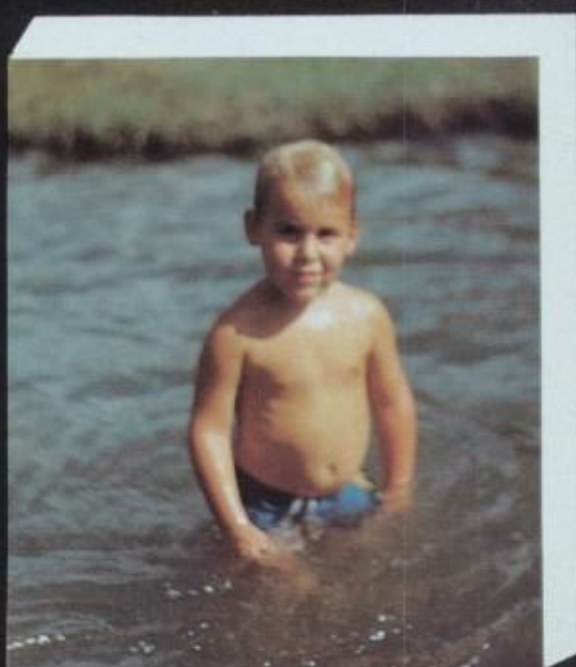

There is still the joy we've yet to know, with the broken hearts we've mended.

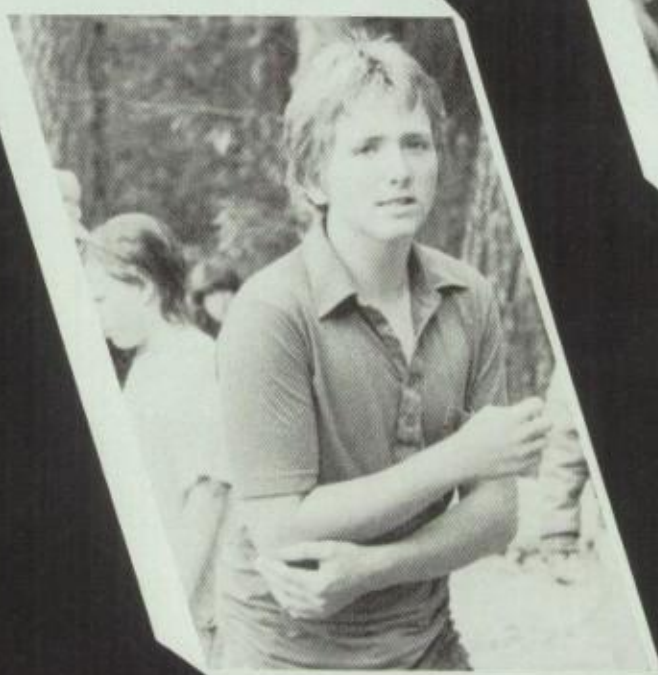

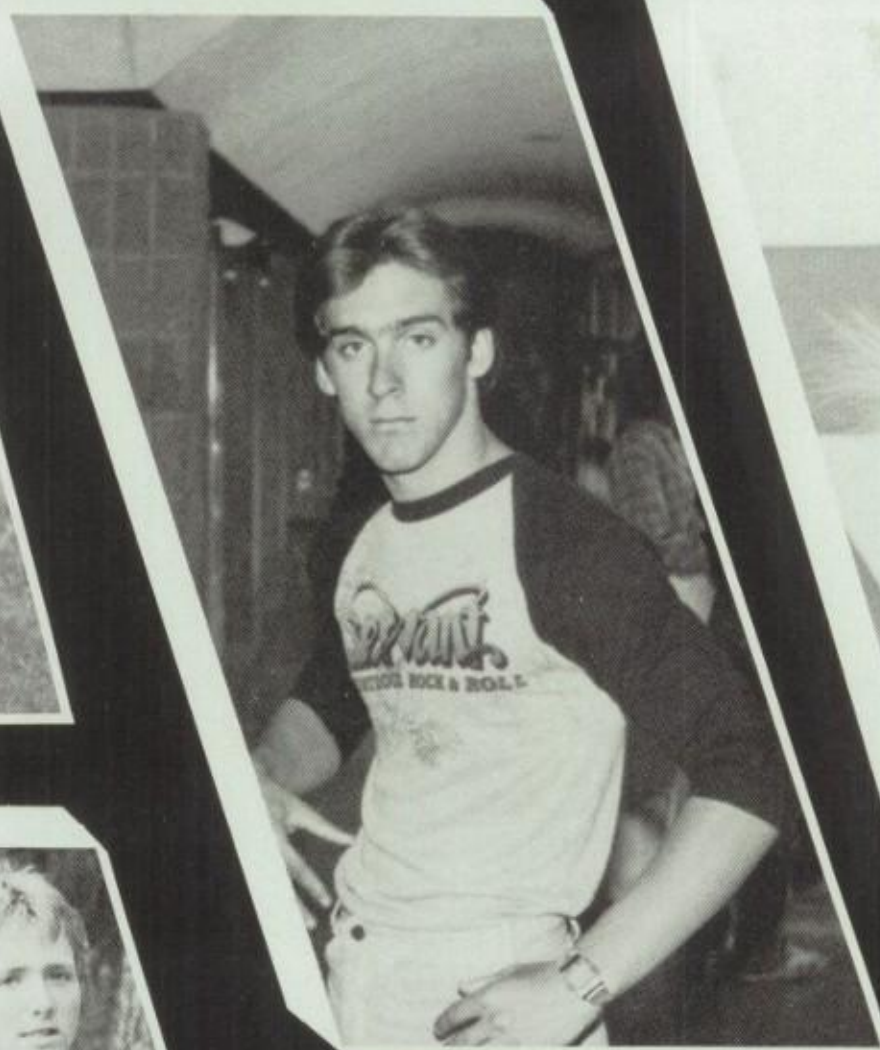

There is no goal too hard to climb, yet we've taken the time to live,

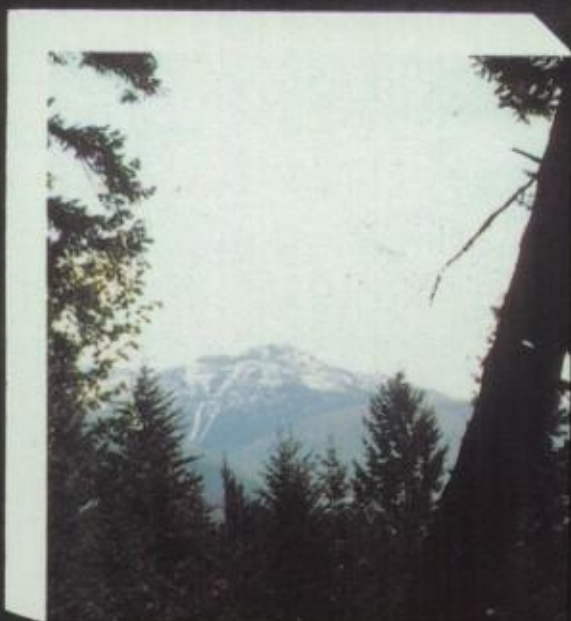

And climb with care and confidence, because the world had so much to give.

Our memories are the thoughts, that were created by the past,

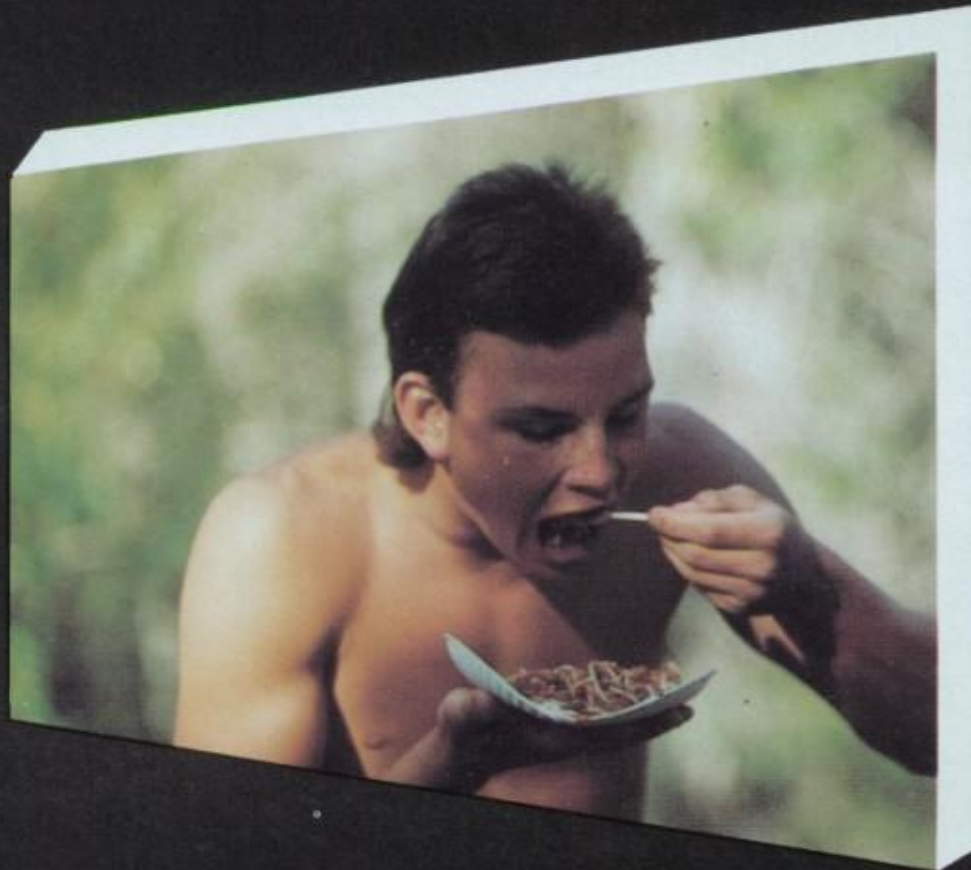

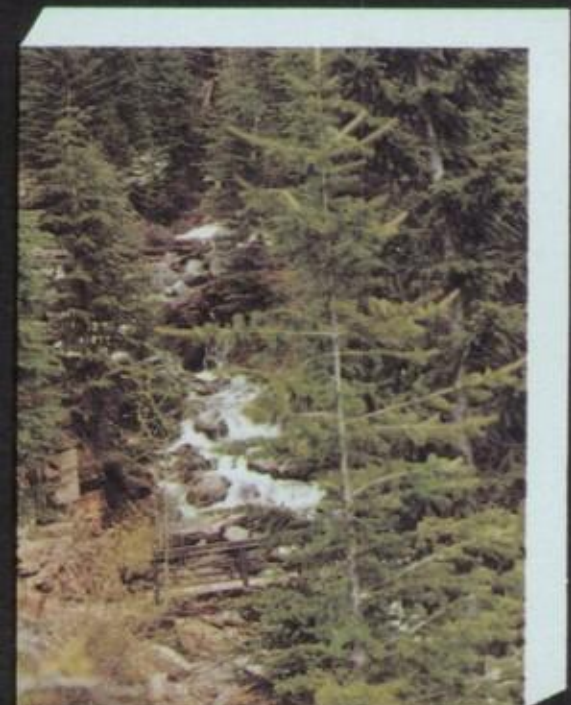

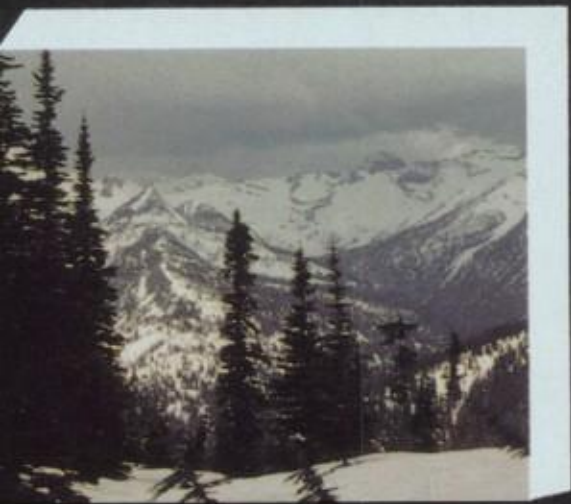

Some of them stay in our minds, yet others don't ever last.

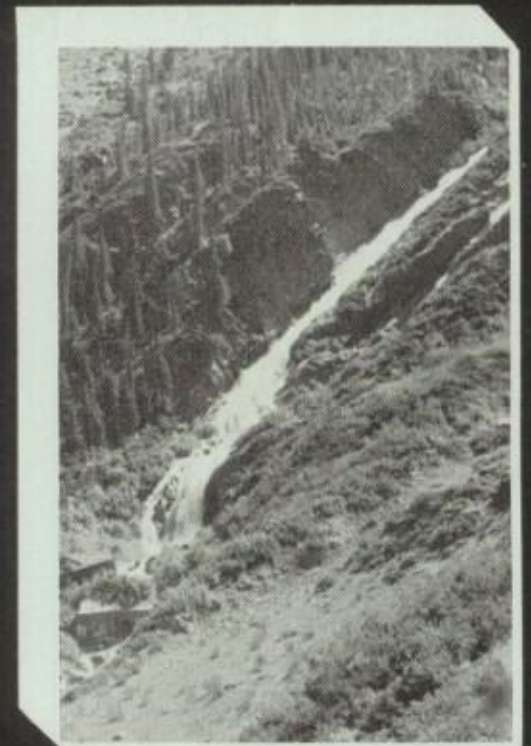

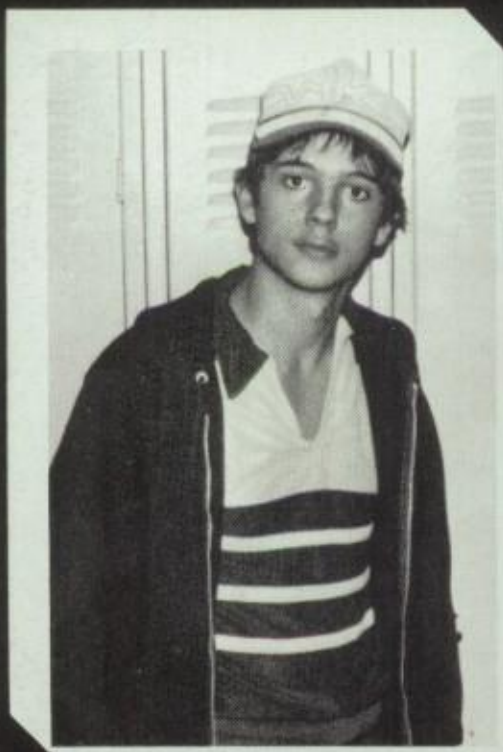

Some memories are so painful, but others are so friendly,

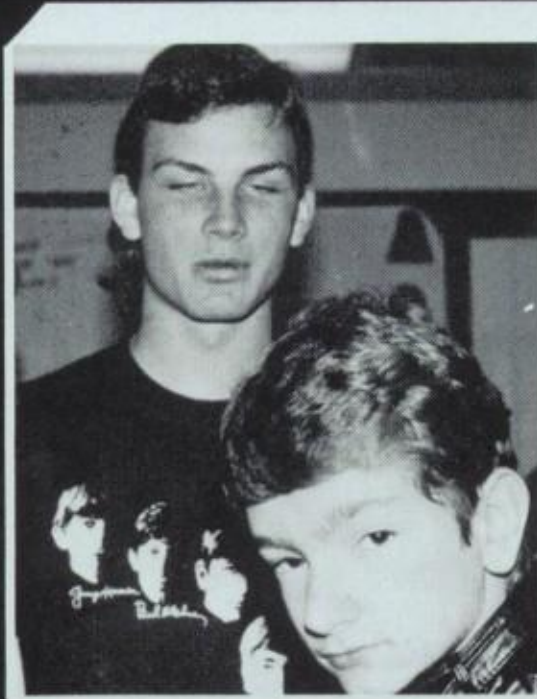

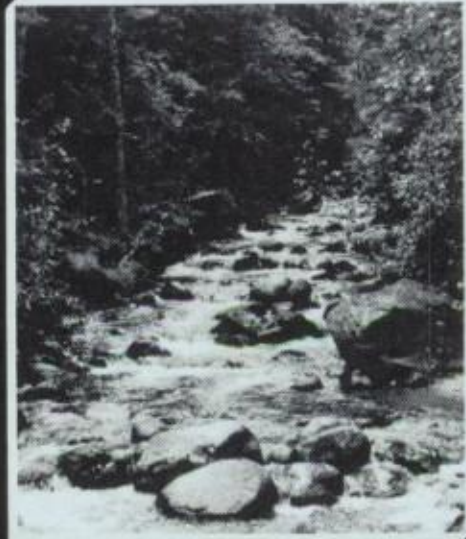

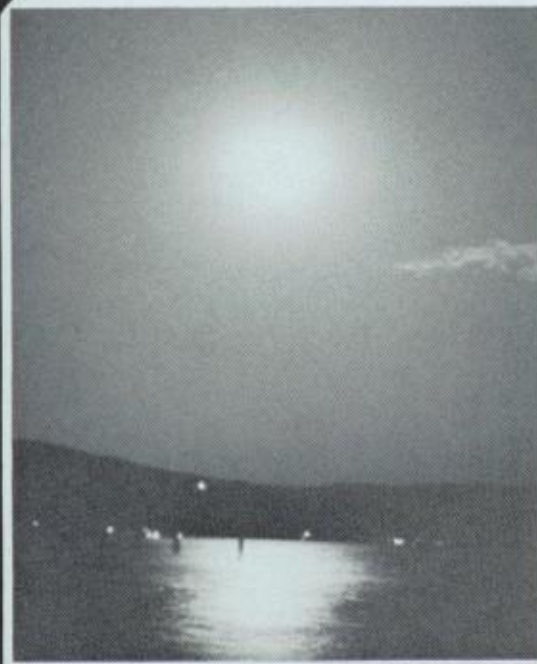

Some are very serious, and others are so silly.

We have had times that make us laugh, and we've had some that make us cry,

They make us all look back and say, I really wonder why.

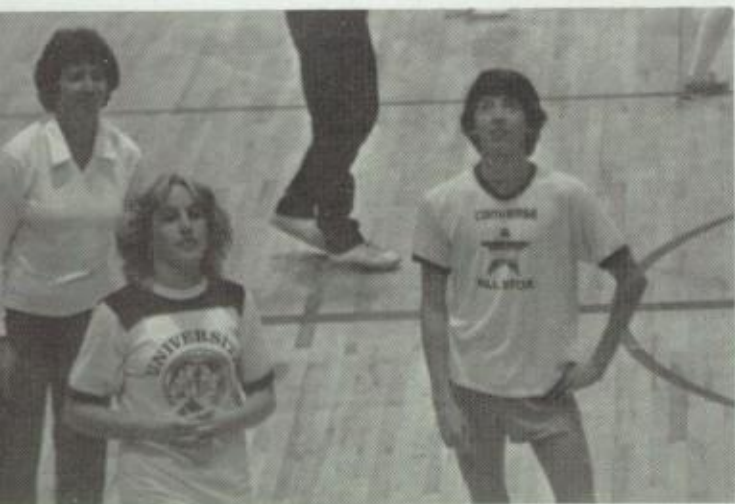

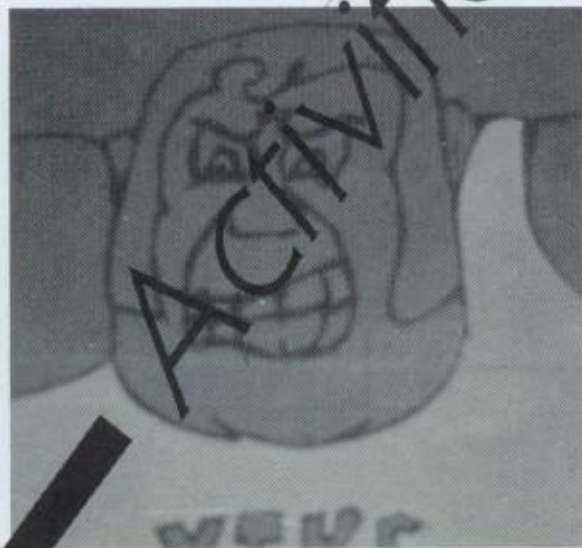

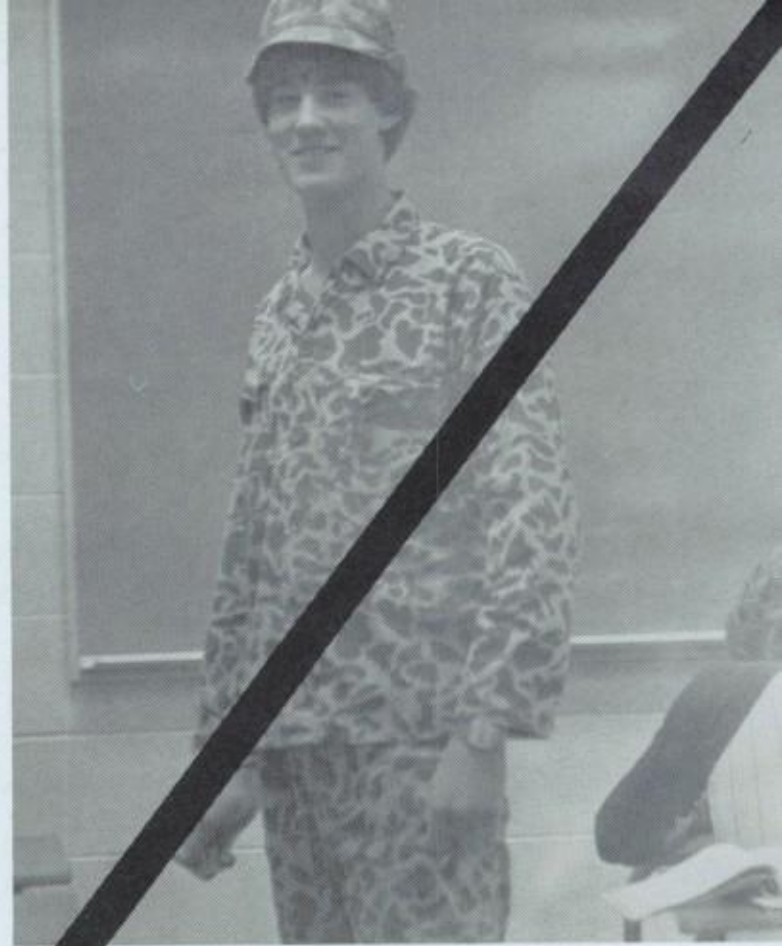

*As we glance back on these times,
And visualize a replay,
We don't dwell on the past,
But we live for today.*

Homecoming 1982

A glance back to the Homecomings of yesteryear.

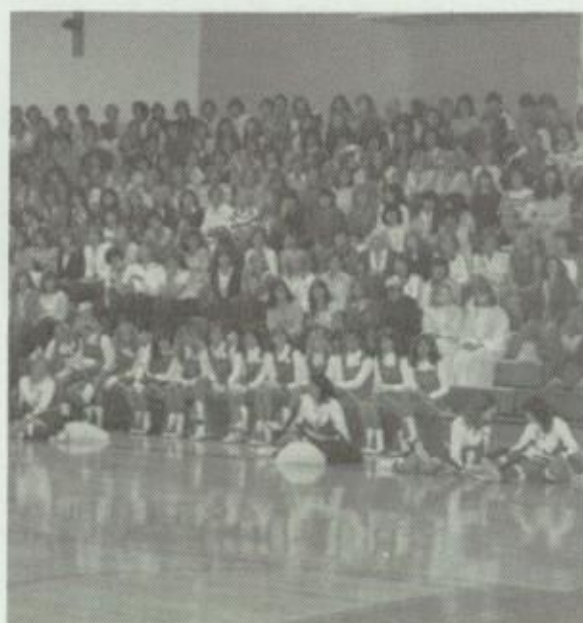

The Viking spirit bug.

Toga anyone?

Spirit Week and the assembly seemed to bring out the real tradition of Homecoming. The original costumes and skits played a big part of our victory over University.

Senior Power!

Parade

Everyone seemed to get into the act this year with floats coming from all the classes and various organizations, including the Punk Rockers.

Dave goes for the dive.

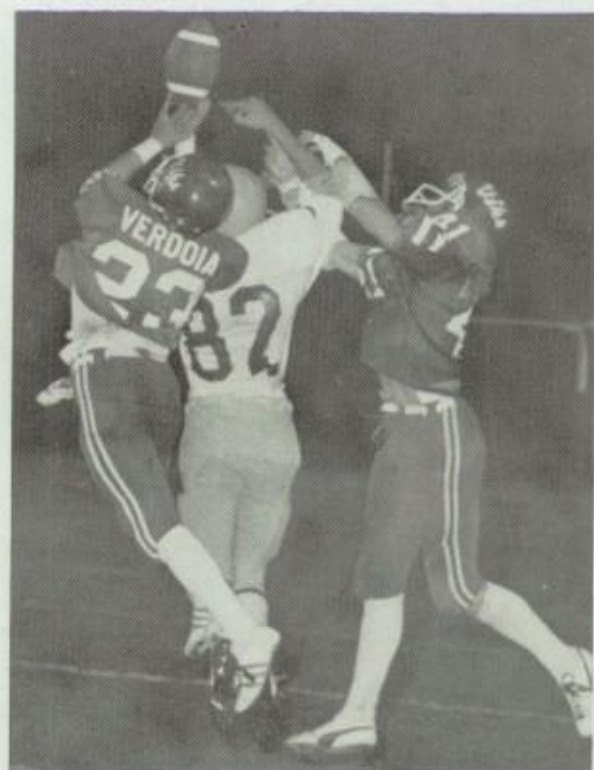

Coach Baum speaks with Greg.

The Homecoming game was not as challenging as it could have been for our Viking football team against University. With a final score of 17-13 the Vikings were still an undefeated team with 6 wins and 0 losses.

The defense is ready to kill.

Boys' State And Girls' State

May 30th through June 6th was a big week for six guys from CHS. Mark Robertson, Dave Smart, Jeff Horne, Steve McAdams, Scott Shellman, and Greg Turbin, attended the American State at BSU. The American Of Idaho has sponsored this event for the last 39 years. For this week, guys from all over the state gather to see how our government is run first hand. They have a full schedule, running from 6 a.m. to midnight, attending assemblies on the law system and government procedures. We also had the pleasure of listening to such speakers as Governor Evans.

Girls State was one of the most unique educational experiences I've ever been involved in and I'm sure Cindy, Simone, and Tina feel the same way.

The week of June 20th we took buses to Nampa and stayed at the Northwest Nazarene College. Here we had the opportunity to meet girls from all over the state. During the week we participated in meetings and activities where we learned how our local governments function.

At the beginning of the week many of the girls were scared and homesick, but by the end of the week when it came time to go home no one wanted to leave.

We would like to extend our best wishes to this year's delegates and hope you learn as much as we did.

Every other year, hundreds of fine high school Musicians audition for All-Northwest choir band and orchestra festival. Held in Seattle April 6-9, only a few students from each of the five states are selected for the privilege and honor of participating in this outstanding group.

As the only member of choir selected from CDA, I will be staying with a host family who will provide transportation to the all day rehearsals from Wednesday through Saturday. The highlight of the four day festival will be the Gala Concert Saturday night at the Seattle Center Arena.

Seniors! The 1982-83 school year at Coeur d'Alene High School has been the best ever. It is the leadership provided by the class of 1983 that has been instrumental in making it so successful.

Your accomplishments are many. You have represented yourselves well. The valedictorians and salutarions of your class have led the way in academic achievement. Through the activity program you have done much to promote good public relations in our community. Your accomplishments in athletics are beyond compare.

As you graduate in to the world of higher education and join the work force, your decisions become more difficult and more critical. You are entering the work force during difficult economic times. You also pass into full citizenship, when you are expected to shoulder your share of the burdens and responsibilities of our nation. I challenge you to be active in assuming the responsibilities of citizenship. Hopefully, Coeur d'Alene High School has done its part in preparing you for the challenges ahead.

The 1982-83 Varsity Volleyball team was made up of a hard-working, dedicated group of young women. They finished their regular season with an 8-8 record and over-all 10-10 including play-offs.

In their bid to go to the state tournament the Vikings bowed to a strong Sandpoint team, who went on to claim the state title.

The teams record is not a true view of the success of this team. They believed in a team concept and played as a team. They had a winning attitude and in my opinion they will always be winners.

Head Coach
Ruth Palm

This year the most valuable player was Kris Edmunds. This award is judged on the most skilled player of the team. The most inspirational player was Mary Riplinger. The girls picked Mary for her ability to encourage the team, and pull them together. It was also judged on effort and hard work.

The girls varsity team captured the regional and state title, proving that they are "The Pride of The North". The boys varsity has either won or placed in the top third in all their meets. Both boys and girls junior varsity teams have been excellent, and will provide a strong base for future improvement. Leading the girls team is it's captain, Wendy Templeman, who placed third at the state meet. The boys team captain is Joe Weadick.

Three lettermen (Erik Jones, Kurt Lundblad, and Rich Klotz) returned from last year's 21-4 team. Several players up from the Junior Varsity helped form the nucleus for a team that was ranked #2 or #3 throughout the season. A transfer Aaron Sexton, helped contribute to the successes. The fine guard play of Sexton, Lundblad, and Jeff Lamping—an all around inspiration to the team and a very hard worker, posed problems for opponents with their hustle and ballhandling. Erik Jones, a three year letterman, had an excellent year—rebounding, scoring, and set a school record in blocked shots (80 +). Rich Klotz rebounded and scored well for the "Vikings". Kurt Lundblad—a preseason Street and Smith All-American—led the team in scoring and in other categories. Mike Webster brought enthusiasm, Tracy Turrell brought a great attitude, John Neirindx brought commitment and hard work—each player contributed in some fashion to this team.

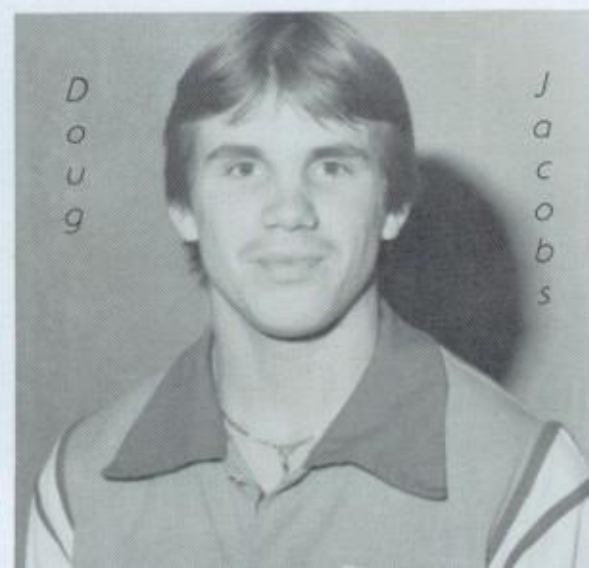

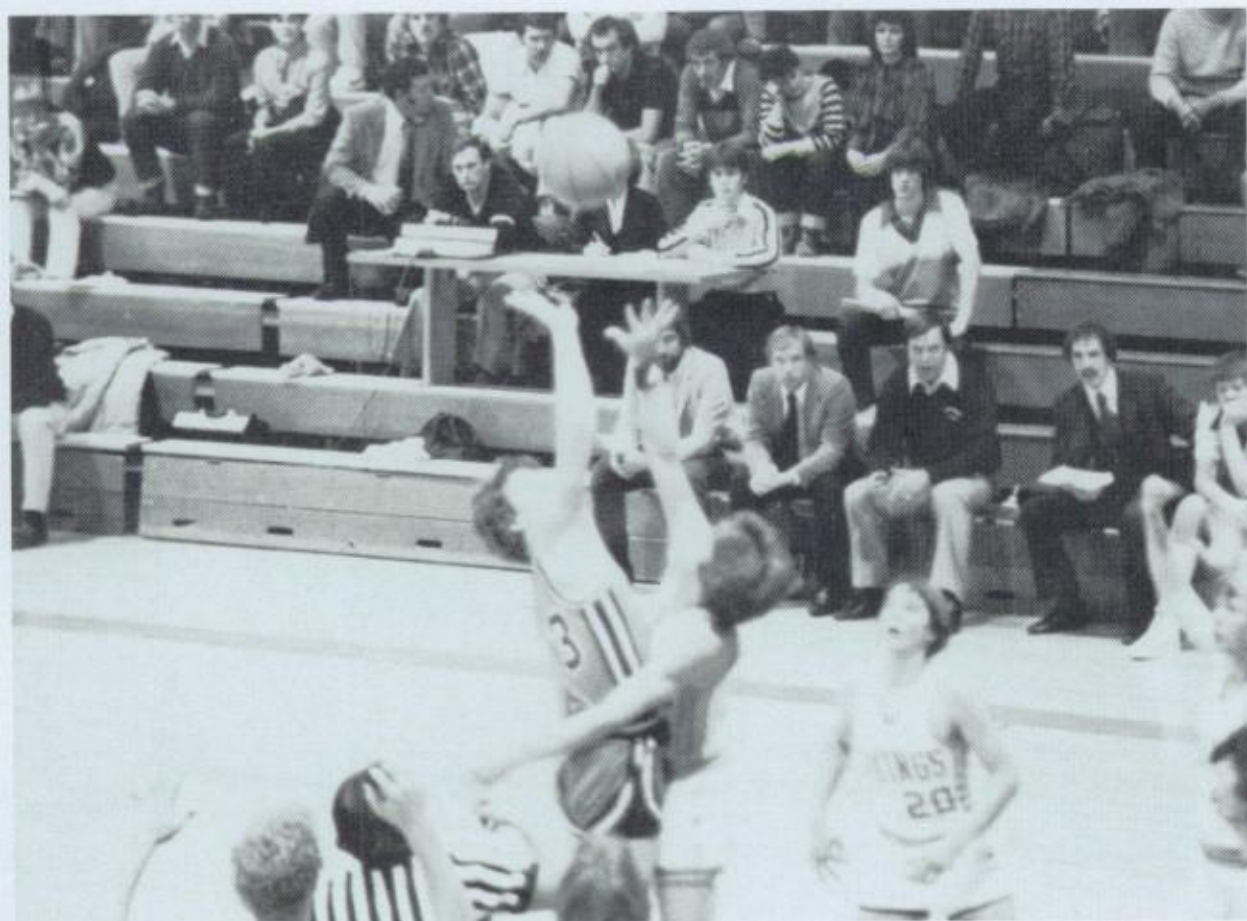

The "Viks" won the league and regional for the 6th year in a row. Events

that transpired at the state tournament marred a very fine season. It is hoped that the many positive things of the "Vikings" will be remembered.

Several Juniors will return—next year looks extremely promising!!!

CDA JV Basketball 1982-83

This year's JV team had a most surprising and productive season, winning their first 7 games, losing the next 3, and finishing with 6 straight wins; included in those were wins which avenged 2 previous losses. The team never had what you would call a bad game, just a few bad breaks, player absences, and a couple of bad halves, which kept them from being undefeated. Poor free-throw shooting, turnovers and outside shooting were the team's only weaknesses. They overcame these deficiencies by shooting selectively, rebounding well, and controlling the offensive and defensive tempo of the game. Using disciplined play, team members fed their two scorers, Jim Winger and Mike Wilson, who together averaged close to 40 points. That style of play had a lot to do with the fact that they finished 51.6% from the field, an outstanding statistic for any level of play. Scott Wellman provided leadership,

passing, and defense, leading in assists and steals. Winger joined the team in mid-season, providing the team with another scorer and rebounder. Wilson had the most productive JV season of any individual I have had the opportunity to coach in my 12 years here at CDA. The surprise player of the year was Brian McGregor, whose dedication to basketball finally paid off.

I am proud of this team's accomplishments. I respect and compliment them also, on their understanding of and adjustment to their respective roles as JV's this season.

Sophomore Boys Basketball

Don't let the 5-11 record of the 1982-1983 Sophomore Boys Basketball team fool you. They have played truly competitive basketball all season long. Having to play some Junior-Varsity teams all season long instead of sophomore teams accounts for the record; however, this type of competition is an excellent builder of experience and provides a real learning process for the players. I am sure that this season has and will develop some excellent Junior Varsity and Varsity players for the future Coeur d'Alene Vikings.

Some stellar performers for the Sophomores this year have been: Bill Drake at guard and forward who is averaging 9.8 points per game, and has seen some J.V. action. Bruce Jones, also up and down, has seen alot of J.V. action early in the year, and is averaging 5.6

This years team record was 8-11 and having won six out of the last seven games they did well. They averaged 44.7 points per game to their opponents 42.1

points per game along with 6 rebounds per game. Probably the most solid performer for the Sophomores all year long has been Dave Stephens, who has averaged 11.2 points per game, and 5 rebounds per game. Also seeing alot of action this year have been: Rich Rees, (G) Jeff Barton, (G) David Brockhoff, (F) Tom Ouren, (G) Troy Griffiths, (G) Scott Alexander, (F) Dan Skires, (F) Frank Garcia, (F) Jeff Runge (C), and John Friesz who played most of the year with the J.V.'s

It has been a real pleasure to work with these young men and they are to be commended for their vast improvement from the start of the season to the season's end.

The 1982-83 girls basketball team was a great group of young women to work with. Attitude and desire helped build a strong team that was very coachable and enthusiastic. Their dedication to practice led to an improvement in their overall skills and helped to build a team capable of laying a strong man to man defense. The growth and ability of these ladies helped all the players in seeing how many different individuals can develop into a successful team. The leading scorers were Mary Anderson 15pt/g. and Mary Riplinger 10 pts/g. Leading rebounders were Anderson 19/g. and Riplinger with 9/g.

Girls J.V. Basketball

Kneeling: Darcy Fraser, Danita Johnston, Holly Boyer, Kristi Magorry, Standing: Mr. Lowande, Deanna Adams, Lisa Moratto, Laura Tibesar, Robyn Benson, Tracey Hadley, Jan Dreisbach, Sabrina Stinray, Shannon Donohoe, Maria Petris, Mr. Fealko.

The girls JV turned a lot of hard work, spirit and hustle into a fine winning season. Although full-court press and aggressive man-to-man defense keyed an exciting style that resulted in an average of 12 or more points per game than their opponents. Sabrina Stinray was the leading scorer and her constant hustle was the spark plug of the defense. Lisa Moratto's ball handling and shooting were another big offensive gun. Robyn Benson and Tracey Hadley were steady scorers and controlled the boards. Other keys for the Viks were Holly Boyers' ball handling and Jan Dreisbach's rebounding.

Mr. Ohlund

Viking wrestlers were a combination of youth and experience in 1982 with the emphasis on youth. Their 6-4-1 dual match record was an indicator of their youth. The Vikings were led this year by Terry Gay who was 23-4 in the season and finished 4th in State after having won the Dillon Invitational and placing 3rd in the prestigious Rocky Mountain Classic. Scott Fend who was sidelined by a broken toe early in the season, placed 3rd at Rocky Mountain and won a Regional Championship on the way to a 16-5 record. Terry led the Vikings with 76 takedowns, 3rd most in Viking History and led the team with 13 pins. Joe LaPan suffered a nerve injury during the Rocky Mtn. Classic which prevented him from winning his 3rd straight Regional Championship. Dave Swanlund won the Regional title in the last 4 seconds to add to his 13-10-1 record which included 12 wins in January after a slow start. Eric Nowoj took his time gaining a spot in the Varsity line up but finished strong

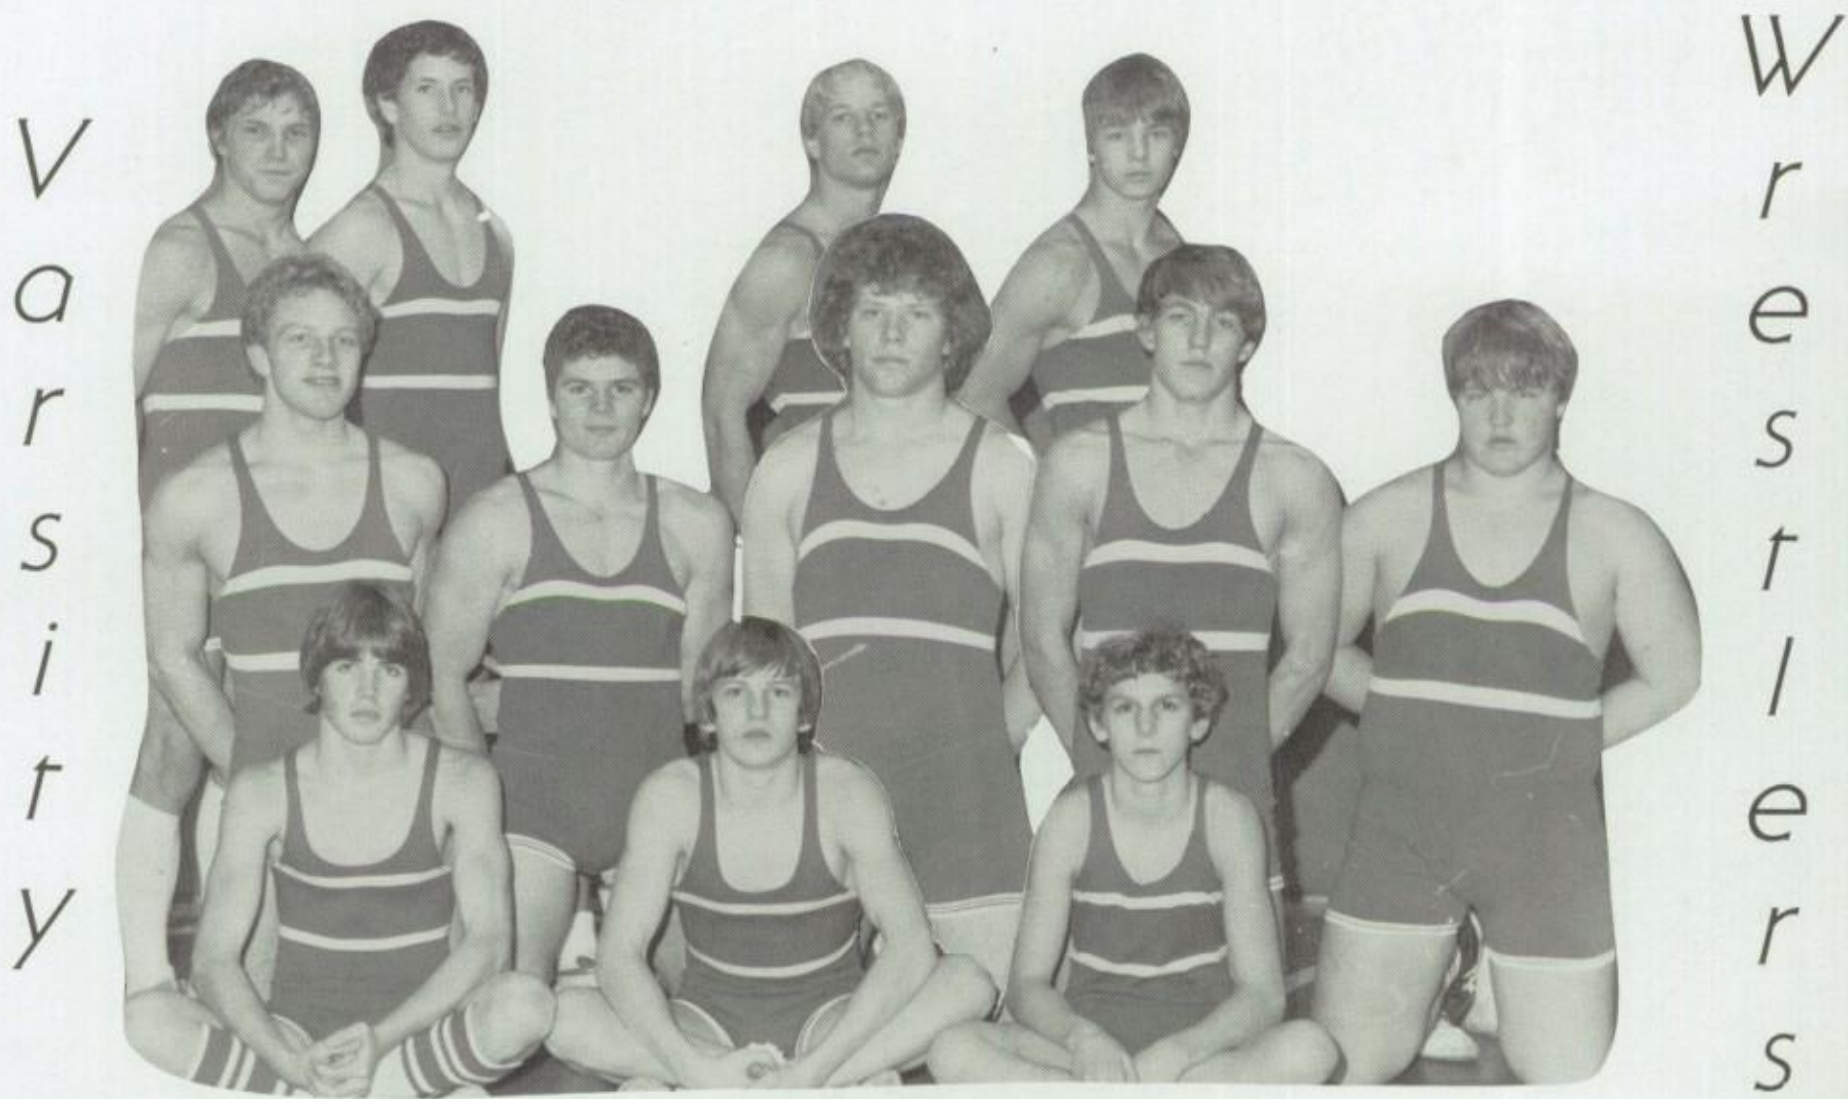

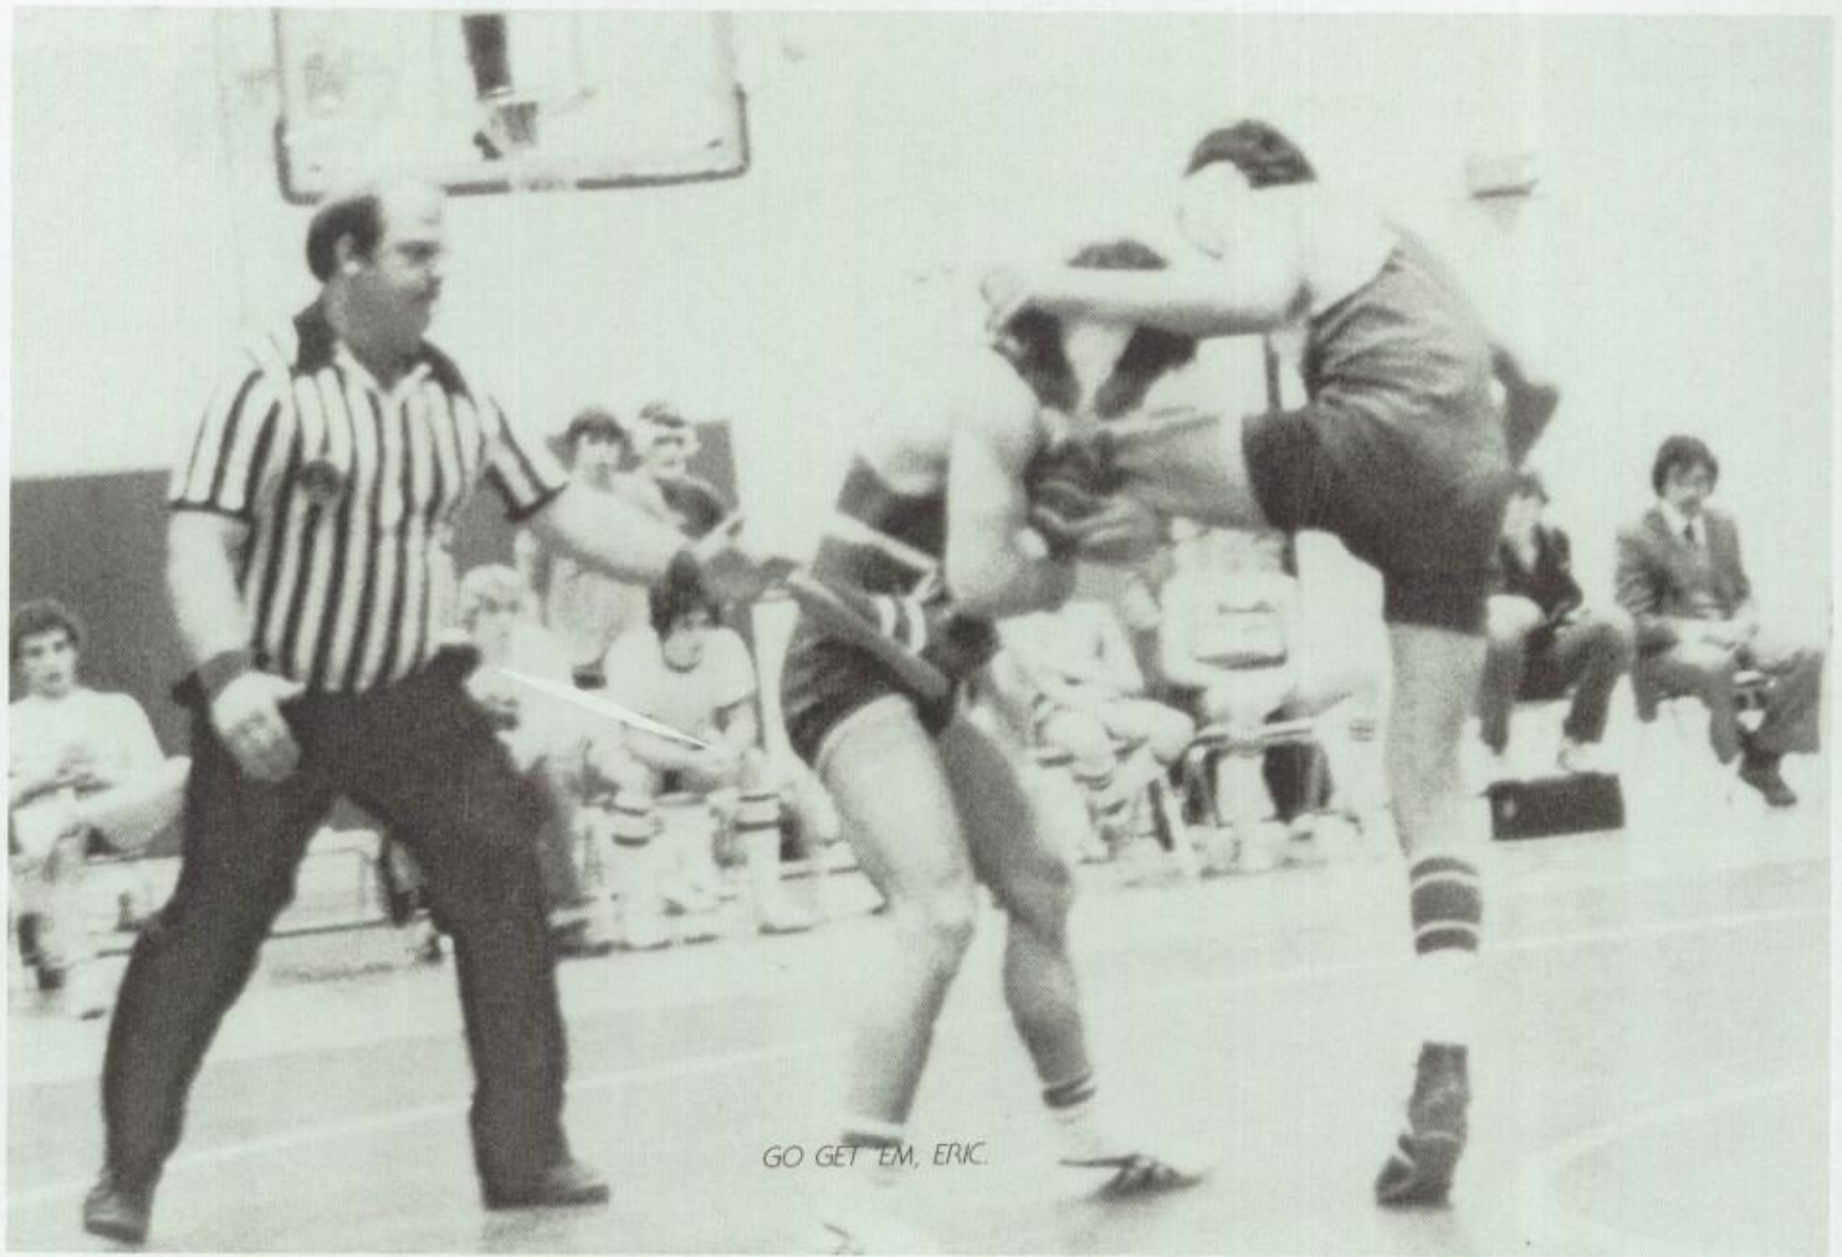

with a Regional Championship and a 4th place finish in the Idaho State Championships. He is one of the few Vikings to place as a Sophomore. Kevin Frame and Dan Markowski also won Regional Championships to help the Vikings to win the Regional team championship by a score of 209 1/2 to 14 and 138 over Lewiston and Sandpoint respectively. Runner-up honors at Regionals went to Steve Ward, Jo LaPan, Rusty Mossburgh, and Rob Lund. Coeur d'Alene entered 12 sophomores and 2 freshmen in the Reg. Tournament indicating a bright future for Viking wrestling.

The Viking J.V. wrestling squad was a very large group this year. They finished the season with a 3-1 dual meet record, losing only to the Lakeland J.V.'s by a slim margin. They participated in tournaments at Lakeland, Kellogg and Medical Lake.

Some outstanding J.V. performers were: Tony Lahti-Kellogg tourney champ-3rd in regional; Tim Rohrer-1st Kellogg tourney-3rd regional; Ken Goldthorpe-4th in regional, Greg Horne-3rd Lakeland tourney-3rd in regional, Dan Frazier-3rd in regional, Tony Caldero-3rd in regional tourney; Bill Vineyard-3rd in regional; Frank Polley-3rd in regional.

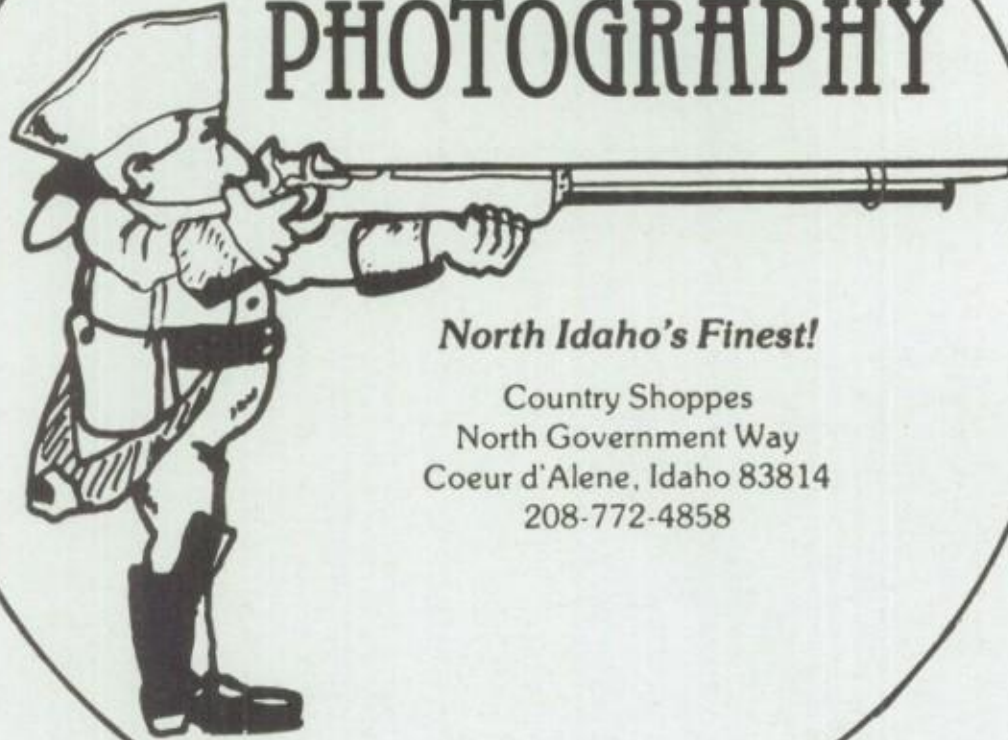

Approximately 40 J.V.'s began the season and thirty were still going strong at the end of the season. With seven to eight sophomores wrestling in varsity dual matches and such a strong group of J.V.'s the future of Viking wrestling seems quite bright.

This year the Art and Drama clubs combined to take a trip to New York City during spring vacation. The Art and Drama club was traveling under the name of Backstage Broadway. They rented a bus and took approximately thirty-five students. The Art and Drama club travelled across the country and were gone approximately eleven days. They stopped in Washington D.C., they saw many Broadway plays, visited art museums and enjoyed New York City.

The Art and Drama club had several fund raisers throughout the year to reduce the cost of their trip to New York. The Art and Drama club sold colorful calendars to students and adults, painted the faces of many people for Halloween in area stores such as Bonanza 88, the CD'A Mall, the North Shore, Rosauers and Ron's Thrift, and they also held candy sales. During the Christmas season the Art and Drama clubs promoted Christmas shopping in the downtown area by having what was known as the Small World displays which portrays the many Christmas traditions in different countries. The Art and Drama clubs also held a Community Dinner at one time in February.

The Drama club's first play was entitled "Our Hearts Were Young and Gay", running November 18, 19, 20.

The main goal of student council was to make the 1982/1983 school year at CHS stand out and to make it a year that the students will remember and be able to be involved in.

Many ideas have evolved through our leadership class. Everyone has worked hard to make our goals a reality and have contributed many new ideas.

Without the cooperation and efforts of the class, none of our achievements could have been possible. They all stood behind me during the good times as well as the bad. They were there to make suggestions, give answers, and to back me up. They were an extremely determined group whom I am very pleased to have had the opportunity to work with. A special thanks goes to our advisor Mr. McCray for devoting his precious time, patience, energy, and for having a unique way of always "being there." It was definitely a challenging, rewarding, and worthwhile experience.

In closing I wish the classes of 83-84-85 continued success . . . the future is ours!

They also attend football and basketball state where they are always the best band in the state. As a fund raiser in order to go to the state playoffs they sold acrylic Christmas ornaments. Their first band concert of the year was December 9th.

The Cheerleaders are a group of spirited girls who cheer and give their support to all the athletic functions of the high school. They practiced all summer and went to a cheerleading camp where they received all superior trophies. They have helped to make this year more exciting and memorable for the athletes and the rest of the student body.

This was a really good year for us in Swing Choir. We were kept busy with many performances such as our concerts, a 4-H banquet, and we even filmed for a Christmas television special. At the beginning of the year we made a contract with Commercial Printing and worked at the concession stands during the Homecoming game for fund raisers. With the money we plan to buy a new sound system. From the 82-83 Swing Choir we wish the Swing Choirs upcoming, many happy years.

Concert Choir is an exciting class, filled with fun and enjoyment, along with the hard work that all the people do. Mrs. Terhark, the choir teachers has helped each student out and worked the class into an outstanding performance everytime. Some of the things that Concert Choir has done throughout this year were the Christmas Concert. They went to Cheney Washington to be put on TV, during Christmas break. Some other things are the NIC Choral festival and the creative concert.

This has been a very exciting year and we could not have done it without Mrs. Terhark.

CLOUT stands for Coeur d'Alene League of United Teenagers. Everyone is welcome, and you don't have to try out! It's a lot of fun, we do a lot of neat activities.

CLOUT is an organization to help out the students in this school as well as the people in our community. CLOUT this year had a good turn out. Next year we would like to see alot more students active in CLOUT.

CLOUT planned the Homecoming parade, we held the Ice Cream Social, we took a couple of days out of the year and helped the Senior Citizen's clean up their yards. We helped the March of Dimes raise money for the birth defected children, and we held the Christmas Benefit Dance, which was a great success.

I would like to take this opportunity to thank Mrs. Dieber for all her efforts to help CLOUT be a great success. I would also like to thank Lisa Stowe (Vice president) and Joy Hinck (Sec./Treasurer). They helped me out alot. And a special thank you to all those who were involved in CLOUT. You're all winners and you all hold a special place in my heart. Thanks to all of you, you did a great job.

Sincerely,
Lisa Eastman
CLOUT President

The Coeur d'Alene Debate team has done exceptionally well this year. We have grown from ten members last year to twenty-four members this year. There were six members who returned from last year. Thanks to our great coach, Pam Alexander, the team has been winning and making a good showing at every tournament we have attended. DECA is a program which relates to MDE (Marketing and Distributive Education) and is designed to develop future leaders for marketing and distribution.

DECA is the only youth organization operating with on the nation's schools to attract young people to careers in marketing, merchandising, and management.

IN DECA II, we have what is known as P.R.I.D.E., Pride and Respect in Distributive Education. Through our Distributive Education courses and our participation in DECA, we learn to respect our free enterprise system. We develop respect for the freedom that we as Americans have in our free enterprise system.

Just a few of the free enterprise topics we learn about are:

- The principles of economics.
- Sales of goods and services.
- How interest rates effect consumer spending.
- Fundamentals of advertising and it's effects on supply and demand.
- How an enterprise is financed.

- The fundamentals of successful Entrepreneurship.
- Governments role in our network of free enterprise.
- Profit and loss.

We learn to identify with how each of these topics effect our daily lives.

With the knowledge we gain through our study of free enterprise coupled with the vast array of other marketing topics we are able to put into practice what we learn. We put our knowledge into practice through our cooperative education jobs. In these cooperative jobs we learn on the job training. We work with our employers to further our skills in the job field, such as suggestive selling, price mark up, change making, etc. At the end of the year we have a state competition in such fields as anti-shoplifting, apparel accessories, and service station retailing, to name a few. If you win at state, you go to nationals which this year will be held in New Orleans. So as you can see, DECA II means business and a lot of hard work. The fundamentals of DECA are the stepping stone of our society.

We as Marketing and Distributive Education students take great pride in being part of the continuation of our free enterprise system. It's P.R.I.D.E. at work.

Of all the clubs at Coeur d'Alene, one that could compete for having one of the largest memberships is the Coeur d'Alene Campus Club. The Campus Club is primarily involved in building a covered area where smoking is allowed. They are doing all the work themselves under the guidance of Mr. Bob Scott and Mr. Dale Williams. Like

the other clubs, they have to finance their project on their own, so they have done a number of money making jobs including mud games, selling gift wrapping paper, selling candy, and a bake sale. Jenny Schaffner is the president of the club, Vice President and Treasurer are Trish Sreele and Teresa Rininger, respectively.

Computer Club

Back: David Vaughn, Steve McAdams, Mike Palmer. Front: Bobby Holstein, Shahab Mesbah, Andy Finney.

The Computer Club was formed in 1980 by a small faction of computer enthusiasts in order to have a formal outlet for the fruit of the collective pursuits of their common interests. Our annual membership is usually around 15 to 20, but is substantially lower at this time due to the lack of a formative meeting this year and the characteristically high senior membership, which graduated. Although not terribly active in school-wide activities, we usually end up with several club-interest types of things. I believe that the club has successfully accomplished our purpose and I hope that it will continue to do so in the future.

We like to think that we are the creative factor of this campus. Being a science fiction writer's club, we help each other by constructive criticism and by getting advice from professionals. Aside from writing and publishing stories (either in magazines or our own publications) we also plan to attend two or more northwest science fiction conventions per year. Although we have some opinions on certain matters that may be considered controversial and we have an unconventional form of government, we are still the best and most elite organization in the high school.

Wrestling pep club puts out a lot of time and energy to get our jobs done. These jobs range from taking stats to yelling during matches and writing many pepnores, decorating lockers, even occasionally decorating the locker room. We have also been known to entertain the crowd every once and awhile to attempt to keep the guys in the right frame of mind. These attempts sometimes fail. There is the fill the locker with the balloon trick when the balloons don't fall out. What do you do with a locker full of balloons? Anyway, we have a lot of fun. So give 'em the axe! Go get 'em legs! Smile Tiny! Acting president, Wendi Bacon.

Rodeo Club

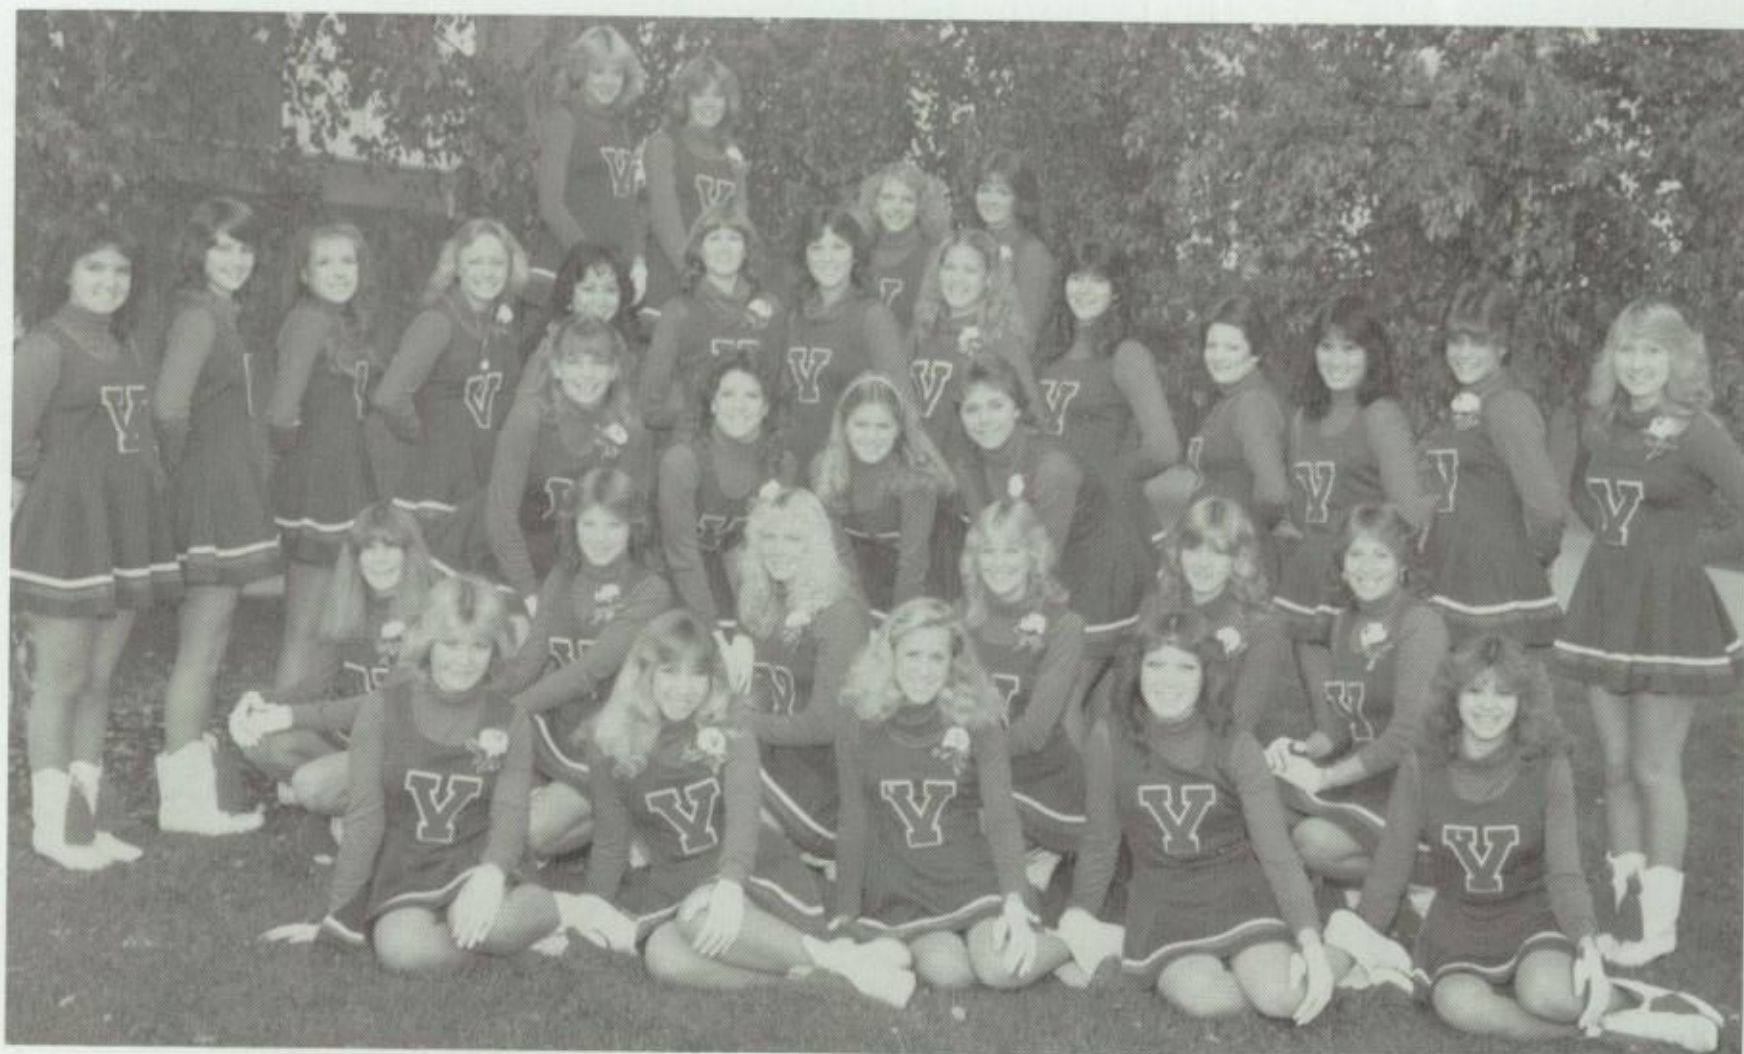

Rodeo is a very competitive sport with many various events such as bull riding, saddle bronc, bareback, roping, steer wrestling, women's barrel racing and it even involves girls trying out as a Queen for various rodeos, or for their own city. Rodeos take a lot of dedication and a lot of traveling down the highway!

Idaho is divided into six districts. The top four winners in each event are qualified to compete at the state high school rodeo against the winners from the other five districts. The top four winners in each event at the state finals are eligible to compete at the National High School Rodeo Finals. The officers are Dan Grimmert; President, Vicki Shorzman; Vice President, Helen Pischner; Secretary Treasurer. The other members are Greg Donly, Larry Finan, Cindy Funke, Reed Hall, Stephanie Johnston, Diane Kelly, Tom Knight, Jennifer Miller, Charles Pearson, Cindy Pischner, Brian Seymour, Cindy Scupp, Jessica Springer, Dawnell Wheeler, Sandy Stambaugh, Julie Morse, Frank Polly.

Getting up enough guts to approach a business manager for an ad, or summoning up enough ambition to cover a story may be personal struggles of a "Viking Visions" journalist, but these bold actions will soon prove to be very beneficial and even necessary in "the jungle" of life.

Our '82-83' "Viking Visions" staff managed to meet the challenging assignments and deadlines of the school newspaper. The effort put into our paper lies deeper than the print on a page and demands tremendous determination to write newsworthy stories.

Newsworthiness is not the only purpose of a high school newspaper; being a service to the school and community is another vital function, and we feel this year's newspaper succeeded with both expectations.

The hard work of every staff member is deeply appreciated. Like a team we faced every challenge, and like a family, we experienced our arguments, shared our happinesses, and built sturdy friendships. Because of her friendship and guidance I thank Mrs. Connie House for three years of dedicated journalistic teachings. Good luck to all you past (and future?) journalists!

TWO SIDES OF LIFE

*Looking back, everything seems distant somehow,
Through the fuzzy eyepiece
Of life's hassles*

*Those days when I thought
Of being free
Of grades and classes.*

*These days I think
Of being free
From inflation and bosses.*

*Then I lived for the weekend,
Parties, concerts
And dances.*

*Now I live
For payday,
To buy food and pay bills.*

*Life is wishing
You were someplace else
At some other time.*

— Eric Nelson
